EXPAND THE POSSIBILITIES

Embracing a range of artistic and technical disciplines, Bauhaus attempted to make good design affordable for all. In doing so, industrial materials like steel tubes and profiles became materials of choice.

CONECTIVIDADE & MODERNA

Encosto flexível e respirável, fabricado em polipropileno com fibra de vidro, oferece uma ampla gama de opções de personalização estando disponível nas cores branca e preta.

ENDLESS

FUNCIONALITIES

Combine design ao seu ambiente e crie um novo espaço com o movimento. Estofamento em tecido, Courino ou Couro Ecológico,
